

Edwardian Oak Cased Barograph

Sold

REF: 376433

Height: 19 cm (7.5")

Width: 36 cm (14.2")

Depth: 21 cm (8.3")

Description

Good quality barograph , contained in an oak case with thick bevel edge glass , with an eight day platform movement that is wound under the top barrel cover and has a slow revolving drum which has a paper record sheet attached. The barometric pressure is recorded by a nib resting on the sheet of paper and leaves a track of the rising and falling of the air pressure . Also contains a thermometer and plaque bearing the original makers name James Brown Optician Glasgow
