Description

A Mahogany mantel clock in the Regency style, made around 1890-1900. The arch top case has a brass edging, an inset brass inlaid panel, a gadrooned frieze and brass ball feet. The sides have brass harvest pattern handles and fishscale fret sides., lined with silk. It has an 6 inch white convex enamel dial with red quarter markers. and matching moon hands. The French 8 day movement sounds the hours and halves on a gong and was made by Vincenti. The clock comes complete with keys and a set up/running video if required.
