Sold

REF: 180959

Height: 32 cm (12.6")

Width: 23 cm (9.1")

Depth: 14.5 cm (5.7")

Description

A good quality French mantel clock. The rosewood case has a swept arch top with boxwood and satinwood marquetry inlay. It has a fine cast embossed bezel and inner sight ring with a bevel edge glass and an enamel dial. The 8 day movement strikes the hours and halves on a gong and was made by Richard of Rue de Bondy, Paris, who had a retail branch at Cannon Street, London, probably where this clock originated from.
