Description

A nice original, large late 19th Century English fusee dial clock. It has a traditional pegged case with side and bottom inspection doors, a substantial turned mahogany case with a brass bezel. The 14 inch diameter dial is signed by the maker, Camerer Cuss & Co London W12. It has a heavily engineered 8 day fusee movement. It has historic repair labels to the reverse. The clock comes with keys and a video explaining set up and running
