## Description

A mahogany Grandmother clock in the late 18th Century style. It has a break-arch top hood with canted corners and a long door. The brass dial has a spandrel and a silvered chapter ring and Tempus Fugit disc. It has an 8 day Westminster chime long pendulum movement that chimes the quarters and hours on rods. There is a silent feature for switching the chime off at will. If you would like a video clip of this clock working and chiming please email us.
