Description

A small, light oak case 8 day longcase clock, dating to the early 19th Century. It has a swan neck hood with reeded side columns and a break arched door and glass panel sides. The trunk has a long door with a shaped top . The well painted dial has subsidiary seconds and date dials and is signed by the maker James Robertson of Ellon, Aberdeenshire . It has an 8 day movement that sounds the hours on a bell.
