

\*Victorian Mahogany Dial Clock

Sold

REF: 192555

Depth: 15 cm (5.9")

Diameter: 37 cm (14.6")

## Description

A traditional pegged mahogany dial clock dating to the late 19th Century. It has a turned mahogany surround, brass bezel and a white painted enamel dial, signed by the maker/retailer J. H. Day of London. It has an 8 day fusee pendulum movement with stopwork to prevent over-winding.
