

Bell Striking French Four Glass clock

Sold

REF: 322451

Height: 30 cm (11.8")

Width: 17 cm (6.7")

Depth: 14 cm (5.5")

## Description

A French gilt brass four glass mantel clock dating to the mid 19th Century. It has a traditional two door case that has thick bevel edge glass all around, a two piece enamel dial with a cast bezel, with a visible Brocot escapement, and is signed by the maker, Barrard and Vignon of Paris. It has a compensating mercury filled pendulum. The 8 day movement strikes the hours and halves on a bell.
