

Light Oak Ting Tang Bracket Clock

Sold

REF: 220226

Height: 41 cm (16.1")

Width: 28 cm (11")

Depth: 21 cm (8.3")

Description

A good quality, solid light oak case bracket clock. It has a break arch top, with brass finials, a very thick bevel edge glass, canted and mounted corners, brass side frets and bracket feet. The brass dial has corner spandrels and a silvered chapter ring with a rise and fall within the arch to regulate the time keeping. The 8 day movement sounds the quarters on two gongs and the hours on a single gong.
