

\*8 Inch Walnut Dial Clock

Sold

REF: 189861

Depth: 13 cm (5.1")

Diameter: 27 cm (10.6")

## Description

A nice small dial clock. It has a warm walnut turned rim, a traditional pegged case and brass bezel and an 8 inch diameter white enamel dial signed by the original retailers Camerer Cuss & Co. of London. The 8 day pendulum movement was made by W & H (Winterhalter and Hofmier)
