

Mahogany Dial Clock By Harrods

Sold

REF: 376031

Depth: 16 cm (6.3")

Diameter: 38 cm (15")

Description

A very original round wall clock, sold by Harrods, dating to the end of the 19th Century. It has a solid outer mahogany rim, with a brass bezel and a traditional pegged case. The clock has a 12 inch diameter dial, signed by the original retailer Harrod of London. It has an 8 day chain fusee movement with stopwork to prevent over-winding. The clock comes complete with winding key.
