

Walnut Regulator Style Wall Clock

Sold

REF: 131130

Height: 100 cm (39.4")

Width: 49 cm (19.3")

Depth: 25 cm (9.8")

Description

A walnut cased wall clock, in the style of a Vienna regulator clock. It has a glazed front door with a break arch top and shaped base with applied turned finial sections. It has an ivory coloured painted dial, signed by the original retailer, Evan Treharne of Pontypridd, South Wales. The long wood rod pendulum has a polished brass bob and the American made spring driven movement strikes the hours and halves on a gong.
